# ALERT!

## New training resource for trainees in Agriculture Cert II:

This eLearning resource facilitates *blended learning* in selected units of AHS20110 **Certificate II in Agriculture**.

It consists of four online *self-paced interactive eLearning presentations*.

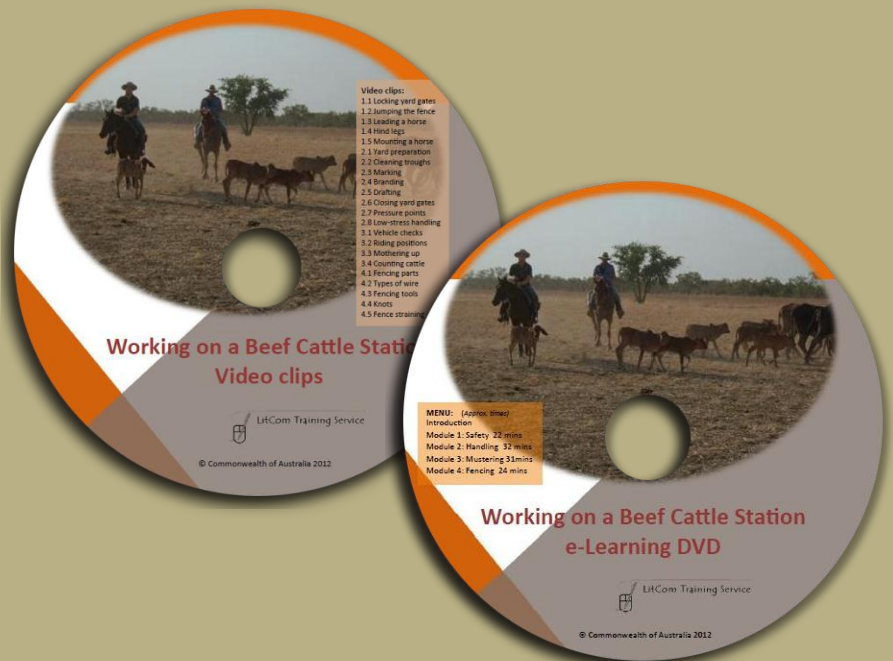

Essential knowledge and skills are presented on slides together with twenty-two embedded video clips, animated text and images with explanatory narrative and interactive tasks.

Included with the resource are:

- *Facilitator Guide*
- *Transcripts* of the video clips
- *Practical Checklists* for learners to record on-job skills learned.

The resource uses plain English (except where workplace jargon is required) to accommodate students with English Language or literacy difficulties.

This is a WELL (Workplace English Language & Literacy) project funded by DEEWR (Dept. of Education, Employment and Workplace Relations).

These online eLearning modules are available **FREE** at [www.litcomtraining.com](http://www.litcomtraining.com)

- for learners to use online
- to download in a folder for use on a PC (directly from hard drive or burned onto a DVD should internet not be accessible)
- to download in a ZIP folder to publish in a Learning Management System (eg Moodle)

Electronic versions of the *customisable documents*, and the separate *video clips* are also available online.

A 2-DVD pack may be purchased online at a cost recovery fee from LitCom Training Service.

For more details please go to the website or contact the developer:
